Description

Marine day/night dome IP camera ideal mounting on everything from boats to vehicles. The camera comprises SUS316 stainless steel camera housing designed to protect corrosive and industrial

environments. Covert series marine IP camera IPC0422E4 provides HD live and recorded video. LILIN covert IP camera comprises a main unit and a separate camera unit which allows them to be mounted apart. The main unit and the camera unit are connected together by 6-meter long cable in providing definite flexibility to place the camera unit in one place and the main unit else where.
