

4MP Day & Night Vari-Focal IR IP Dome Camera

caractéristique

- IR cut filter for day/night operations
- 30-meter infrared night vision
- 4MP resolution @ 20fps
- High Dynamic Range

Description du fichier

As with all M series cameras, MR2942X HD 30M-Range IR Varifocal Dome IP Camera in the M series features 4MP resolution at 20 frames per second, built-in Sense up+ technology to deliver stunning video in low-light conditions, and intelligent video surveillance (IVS) functions. Utilizing intelligent image signal processing, HDR, AGC control, and 3D Noise Reduction, the combination successfully delivers the ultimate low-light image without motion blur. The support of PoE, privacy mask, and white balance, as well as the minimum illumination of 0.21 Lux at F1.4 will satisfy multiple applications.
